

GUSTAFSON

+

ASSOCIATES, INC.

The last revenue cycle consultants you'll ever need.

## *"Certificate of Integrity"*

### ***Do you have what it takes to be the Outpartner of Choice?***

Whether you're trying to secure new business, or striving to retain existing clients, you must be prepared to demonstrate your healthcare industry expertise and commitment to excellence. Imagine the competitive advantage you'd gain if you held a certificate that assured healthcare providers your organization has documented the gold standard performance results they expect. If you meet the standard, Gustafson + Associates, Inc., the industry's #1 revenue cycle leader will award you with the **"G+A Outpartner Certificate of Integrity."**

G+A continues to set the revenue cycle Gold-Standard – for both providers' internal operations and the services provided by their outpartners. Best-performing healthcare providers across the country call on us to help them objectively assess potential outpartners that will deliver the solutions and unmatched service they demand. **Are you ready to prove you can deliver the Gold-Standard?**

When you contract with us to seek the "G+A Outpartner Certificate of Integrity" we will provide your organization with: An objective operational review and recommendations; employee skills assessment, training and coaching; business development strategy analysis; and a comprehensive series of other evaluations and types of assistance. Make sure you have what it takes to achieve and maintain best-in-class outpartner status. Contact us today to begin your journey to your new, golden future.
